**Title of the activity / program**-Oral Health Care Delivery for Shilapur Residents

**Day and Date** – Wednesday, 12/10/22

**Collaborating agency** –Sarpanch Shilapur

**Time** – 10:30 a.m. to 3:00 p.m.

**Mentor/Guide** – Dr. Pallavi Tripathi,

**Objective of the activity / program** – To bring awareness about Oral Health and provision of treatment with the help of Mobile Dental Van.

**Attended by –Teaching Staff:** Dr.Pradeep GL Sir, Dr.Nilima Prakash, DrPallavi Tripathi and Dr Preeti Dandge.

**Brief information about program -**

An oral health screening and treatment camp was conducted at one of our adopted villages Shilapur on 12th October 2022 (Wednesday) for general population by Department of Public Health Dentistry and National Service Scheme. Dr. Pradeep G. L. (Trustee Medical education), Dr.Nilima Prakash (Director, MGV Trust) and Sarpanch of the village Mrs. Manda Gangurde were chief guests for the event. DrPradeep GL Sir mentioned in brief about various oral health care services available on field and at institute for the adopted villages. Dr. Pallavi Tripathi, Dr. Preeti Dandge, Dr. Piyush Thakare, Dr. VidhishaGargil attended the camp. It was also a good experiential learning experience for 16 Interns and 6 Non-Teaching Staff who participated enthusiastically in the camp.

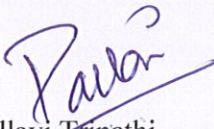

In all 121 patients were screened and 42 patients received treatment while rest were referred to institutional OPD. With the help of mobile dental van, portable chairs and efficient team of interns and staff various treatment procedures like restoration, ultrasonic scaling and minor extractions were provided. Oral hygiene aids like toothbrush (kids and adults) and toothpaste were also distributed amongst patients. Medications including antibiotics and analgesics were also distributed. Blood pressure was also recorded for all elderly patients.

An oral health talk was also presented by Dr. Pallavi Tripathi. The principles of health education like Tell-Show-Do and Learning by Doing were implemented and the session promoted oral health amongst school from class I to class VIII, adults and elderly. After learning the children amongst audiences also demonstrated brushing techniques. Steps of oral hygiene maintenance and brushing techniques were explained to masses with the help of models and educational charts. Tobacco cessation pamphlets were also distributed.

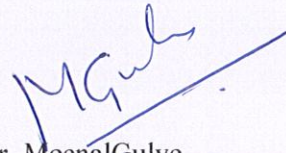

**Outcome of the activity –**

<b>DETAILS OF TREATMENT</b>	
Oral health examination	121
GIC restoration	12
Minor extractions	9
Measurement of blood pressure	25
Ultrasonic scaling	21
Tobacco pouch keratosis	2

**Title of the program- Brush well tooth brushing day- Lecture**

**Day and Date** – 7/11/2022, Monday.

**Venue** –Department of Public Health Dentistry.

**Time:** 10:00 am to 3:00 pm.

**Speaker** –Dr. Pallavi Tripathi.

**Objective of the activity** –To Observe Tooth Brushing Day by conducting oral health education.

**Brief information about activity:** -On 7th November, 2022 The Department of Public Health Dentistry Celebrated National Tooth brushing Day. Dr.Pallavi Tripathi presented a brief oral health talk to patients visiting the Department, emphasizing-the importance of having your natural teeth and benefits of maintaining oral hygiene. Posted interns Mr.Saurabh Hire and

Mr.AkshitGujrati presented a brief demonstration in English and Hindi regarding routine brushing technique to be used. Interns also distributed pamphlets explaining regarding oral hygiene awareness and toothbrushes to the audience. Posted interns also interacted with patients in the waiting lobby and explained oral hygiene maintenance measures on one on one basis with the help of tooth brushing models, toothbrush and educational charts.

The activity reached around 54 Patients for oral health promotion and generated anti-tobacco awareness as well. The implementation of "**MY FAMILY, MY RESPONSIBILITY**" was achieved, as all patients exposed to activity were instructed to spread the same message amongst friends and family. It was Good experiential learning experience for all staff, interns and patients.

**Outcome of the activity: -**

This activity emphasized the importance of having your natural teeth and benefits of maintaining oral hygiene and methods / measures to attain the same.

**Program Report**

**Title of the activity / program / Event-** Speech on 'Role of bone in choice of prosthesis'

**Organized by**—Department of Public Health Dentistry and Department of Prosthodontics

**Day and Date** – 5<sup>th</sup> December 2022

**Venue** –Sawali Vrudh Ashram, UttamNagar,Nashik

**Time** –10.00 am

**Objective of the activity / program** – The visit was conducted to inculcate the values of service towards the community amongst students. Aim was to educate the patients and create awareness about role of bone in choosing the correct prosthesis.

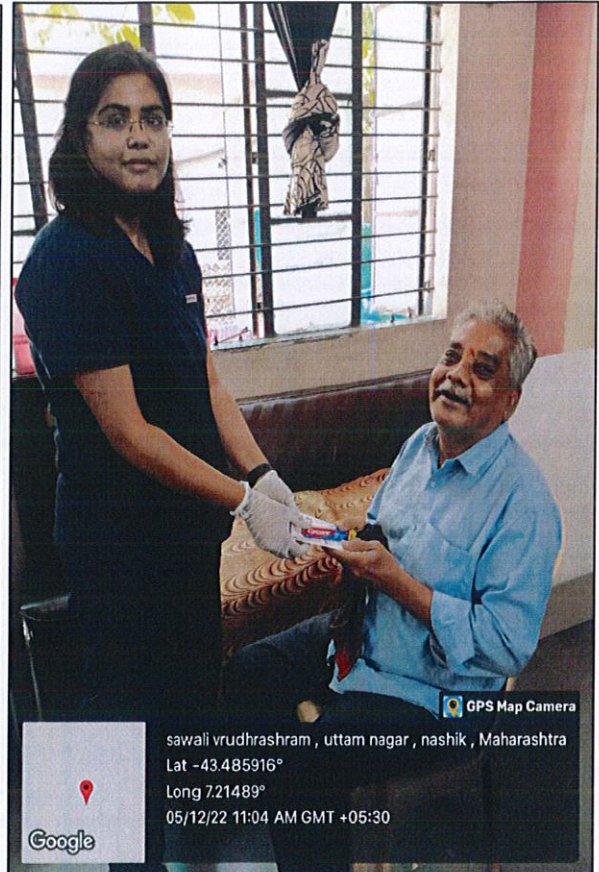

**Attended by** - Teaching staff, post graduate students, undergraduate students

**Brief information about program / activity** –A primary dental checkup was conducted by the students at the Swaminarayan dialysis centre. The students presented models and charts which helped explain to the patients the difficulties and challenges in treating patients with resorbed bone. Hence the importance of preservation of bone was made apparent to the patients.

**Outcome of the activity** –To increase awareness about dental and oral health within the community

**Feedback about the program**—Such practices have improved the outlook of the faculty and students towards the community.

**Title of the program** – Ease of living Index Survey 2022.

**Day and Date** – 14/12/2022, Wednesday.

**Venue** – MGV'S K.B.H. DENTAL COLLEGE NASHIK

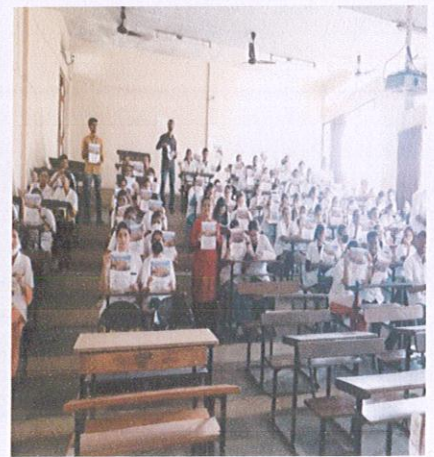

**Time:** -11:00 a.m. to 12:00 pm

**Objective of the program** – Survey about Index of Ease of Living – 2022 #MyCityMyPride

**Brief information about program / activity:** -

The '**Ease of Living -2022**' #MyCityMyPride Survey is an assessment tool that evaluates the quality of life and impact of various initiatives for urban development undertaken by Ministry of Housing and Urban Affairs. A survey was conducted with the help of Google Forms. Final year students and interns actively participated in this activity by filling out forms. This was done by scanning the QR Code under the guidance of Dr. Preeti Dandge. The survey contained a questionnaire about our daily life experiences with the city.

**Outcome of the activity** This survey covered topics like cleanliness, transportation, electricity, accommodation, etc. A digital certificate for participation was also given to the students and interns and instilled the feeling of #MyCityMyPride amongst participants.

**LIST OF PARTICIPANTS****DATE :14/12/2022****TITLE OF ACTIVITY :EASE OF LIVING INDEX SURVEY-2022**

1)	Agrawal Yukta Jayesh
2)	Ahuja Simran Harish
3)	Ansari Shifa Jaweed

**Title:**SWASTHA BALAK SPARDHA

**Day and Date** –Thursday 12/01/2023

**Venue** – Excel High international school, Panchavati, Nashik.

**Collaborating agency:**Excel international school

**Time** – 10:30 a.m. to 1:00 pm

**Mentor/ Guide :-**Dr. Pallavi Tripathi.

**Objective of the activity / program** – To calculate BODY MASS INDEX (BMI) of the students and educate them on the importance of balanced diet.

**Attended by** – Dr.PallaviTripathi, Miss Lily Joseph (Principal), Students Of the School, Interns, Non-teaching staff of Department of Public Health Dentistry.

**Brief information about program / Activity :-**

A NSS activity was organised under the theme of **SWASTHA BALAK SPARDHA** at EXCEL HIGH INTERNATIONAL SCHOOL, PANCHAVATI, NASHIK. NSS PROGRAM OFFICER Dr.Pallavi Tripathi, NSS volunteers and interns posted at Department of Public Health Dentistry participated in the activity. Activity initiated under the presence of their Principal Lily Joseph and school teachers and students from Class I to Class V. The students were educated on the importance of balanced diet and daily exercise. They were educated about the difference between junk food and healthy food with the help of pictures and fun games. BMI was recorded for each student with the help of weighing scale and measuring tape. The students with average BMI were appreciated for healthy choices. The activity impacted 140 students.

**Outcome of the activity :-**

The students were made aware about the ill effects of consumption of junk food and benefits of healthy food for good performance at academics and sports and emphasized the importance of healthy diet and lifestyle.

**Title of the activity / program:** No Tobacco Day Rally 2023.

**Day and Date** – 31/05/2023, Wednesday

**Departement:** Department of Public Health Dentistry

**Venue** – MGV'S K.B.H. DENTAL COLLEGE NASHIK

**Collaborating agency:** MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES

**Objective of the activity / program** – Awareness about Adverse Effects of Tobacco

**Mentor**– Dr Vrushali Thakare

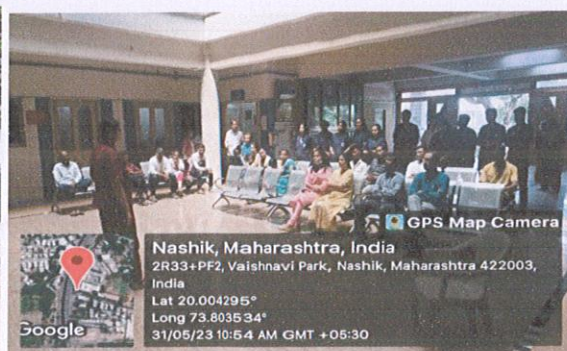

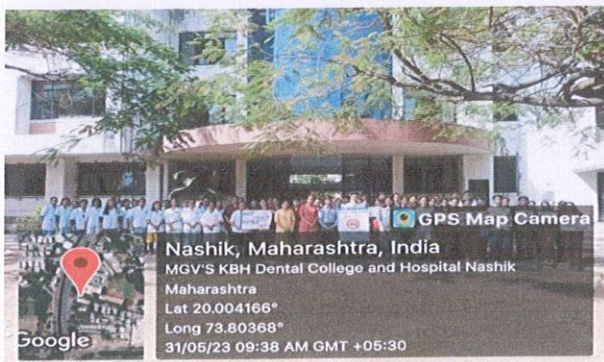

**No of Participants:** 68

**Brief information about program :-**

World No Tobacco Day was observed on 31<sup>st</sup> may in MGV KBH Dental College and Hospital, Nashik. A Rally was held where approximately 70 students and interns participated by making posters with slogans in Hindi, Marathi and English. Interns and students distributed pamphlets to people around them during the rally. These pamphlets included information about adverse effects of tobacco usage. Interns also explained various methods to quit tobacco.

**Outcome of the activity:**A Health Talk was delivered by the interns in the hospital OPD area to the patients under the guidance of the teaching staff. Health talk covered topics like risks of consuming tobacco, patient counselling for tobacco habit cessation and rewards of quitting the habit. Posters with images on the same were displayed for the patients.

**TITLE** - Blood Donor's Day Blood Donation Drive.

• **Day and Date:** Wednesday, 14.06.23

• **Venue:** MGV KBH Dental College and Hospital, Nashik.

**Collaborating agency:** MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES

• **Time:** 11am – 3pm

• **Mentor:** Dr. Pallavi Tripathi

• **Students:** Interns

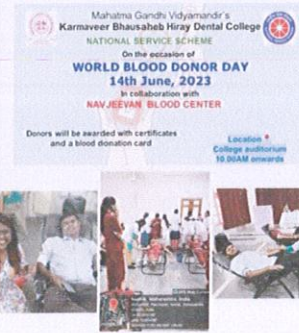

• **Present Teachers:** Dr. Pallavi Tripathi

• **Objective of activity:** Easy access of Blood for those in need.

• **Program brief:** On occasion of Blood donor's day on 14.06.2023, a blood donation drive was conducted by “National Service Scheme” in collaboration with “Navjeevan Blood Centre” from 11am to 3pm at auditorium. The program began with a brief introduction by Dr. Pallavi Tripathi, NSS PROGRAM OFFICER in presence of our Principal Dr. Meenal Gulve Ma'am and our Trustee Dr. Pradeep G L Sir.

In all 33 volunteers donated blood, and each volunteer received a certificate for the same; the benefits of which shall be applicable as per the protocol.

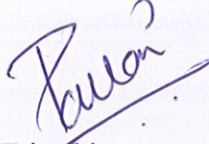

**Objectives of the activity:** The purpose of blood donation camp is to select a suitable donor whose blood is safe for the recipients. It can help patients suffering from life-threatening conditions, live longer with a higher quality of life and support complex medical and surgical procedures.

**Title of the activity:** Nasha Mukti Abhiyan- Lecture on Drug Dependence.

**Day and Date:** 11<sup>th</sup> & 12<sup>th</sup> July, 2023

**Time:** 11 AM – 12 PM

**Venue:** Lecture Hall 301

**Mentor/Guide:** Dr. Pallavi Tripathi (NSS Program Officer)

**Objective of the activity/program:** To create awareness about various types of drugs, their biology, pharmacology, assessment of dependence and measures to quit.

**Attended by:** Dr. Pallavi Tripathi (NSS PROGRAM OFFICER), III BDS students and interns.

**Students present:** III BDS students and Interns

**Brief information about program/activity:**

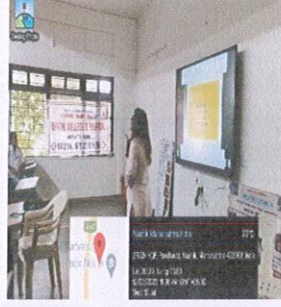

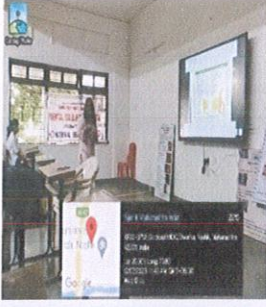

On 11th July, 2023, National Service Scheme conducted an activity on the Topic “**Drug Free India**”/ “**Nasha Mukti Abhiyan**” at Department of Public Health Dentistry. Various types and protocols to quit addictive substances were discussed. Interns posted participated in the discussion on 11<sup>th</sup> July, 2023

At lecture hall 301, from 11 am to 12 pm Dr. Pallavi Tripathi (NSS PROGRAM OFFICER) on 12th July, 2023 presented a lecture on topic Drug Dependence to III BDS students and interns.

Both the sessions generated awareness regarding various types of drugs, their biology of dependence, signs and symptoms of dependence, and remedial measures to quit. Dental health professionals can become a role model in many ways in quitting tobacco from being an advocate of change, researcher, health educator and clinician, which will not only help individuals but also change community health behavior.

**Outcome of the activity/program:** The public health-based approach called for in this activity aims to address the broad individual, environmental, and societal factors that influence substance misuse and its consequences, to improve the health, safety, and well-being of the entire population.

L.V.H. COLLEGE ORAL HEALTH SCREENING & AWARENESS CAMP

**Date:** 14/7/2023

**Title:** Oral health checkup cum awareness for LVH college students.

**Collaborating institute:** L.V.H. College, Nashik.

**Venue:** Niraamaya Aarogya Kendra, Panchavati, L.V.H. College, Nashik.

**Time:** 10.00 a.m. – 3.00 p.m.

**Total Beneficiaries:** 186

On the occasion of birthday of Hon. Dr. Smitatai Hiray on 14<sup>th</sup> July 2023, a 'Free Oral Health Check up and Awareness Camp' was organized by Department of Public Health Dentistry at Loknete Vyankatrao Hiray Arts, Science and Commerce College. A team consisting of team of interns and Dr. Pallavi Tripathi participated at Niraamaya Aarogya Kendra.

The free dental check-up camp focused on screening and spreading awareness among the beneficiaries. Oral health services offered during the camp included a dental check-up along with free consultation, oral health promotion and guidance to the patients about the food intake and daily routine they should follow to prevent various dental disorders. For further treatment like tooth extraction, scaling, and restorations for cavities, patients were advised to visit nearest dental clinic or Dental Hospital in Panchavati.

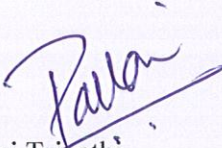

Dr. Santosh Chobe, their Academic Supervisor inaugurated the camp and congratulated organizing team for such a humanitarian initiative. 46 teaching staff members, 30 Non-teaching staff members and 110 students were benefited through this camp.

**Outcomes of the camp :Screening of 186 beneficiaries.**
