26	Average	Average	No focus on practical skills, made to do old methods of treatment						
27	Average	Good							
28	Average	Very good	Need to improve the technology n upgrade the instruments used in clg						
29	Good	Good							
30	Average	Good	There should be inclusion of latest or future technologies and there should update of knowledge.						
31	Good	Good							
32	Poor	Good	No						
33	Poor	Poor	Lot of changes required. Clinical practice and BDS syllabus doesn't go hand in hand. Clinical research and evidence based management should be encouraged instead of outdated.						
34	Average	Good	The curriculum needs to be more advanced so that the students can cope up better with the dentistry outside college.						
35	Good	Good							
36	Average	Good	Need more to be different. The relation should be teaching students the things which is used in practice and research.
