Dear Rutuja Manoj Shimpi,

Thank you for your application to study at The University of Manchester. I am delighted to make you an unconditional offer of a place on the above course.

The University charges different tuition fees depending on whether a student is classified as Home or International, using criteria outlined in the Education (Fees and Awards) (England) Regulations (2007), the Higher Education (Fee Limit Condition) (England) Regulations 2017 and any other relevant regulations. From the information you have provided to us and based on the regulations currently available to us, you have been classified as a Overseas student for tuition fee purposes. Please note that your fee status can be subject to review if other information becomes available and that in exceptional cases your fee status may change.

2023/24 Academic Year: The tuition fee for this course will be GBP 25000.00.

The tuition fee will remain the same for every year of study.

Most international students will need to obtain a visa via the new Student Route to study in the UK. For attendance of less than six months duration, students may be able to obtain a Standard Visitor Visa. This offer is not a confirmation of your eligibility for a visa. Further information in relation to visas for international students is available at: [International Students](#).

In the event that you accept and satisfy any conditions set out in this offer you will be invited to complete a Right to Study check. Following completion of this check, a confirmation of acceptance for studies (CAS) or a letter to support your Standard Visitor Visa application will be sent to you as appropriate. The University reserves the right to refuse admission should you arrive after the latest date for acceptance onto the course specified in your CAS.

Please let us know by 30/06/2023 (DD/MM/YYYY) whether you wish to accept this offer by logging in to [Self Service](#). Some applicants are required pay a deposit to accept their offer. If this applies to you it will be detailed in this letter. If we do not hear from you by the deadline date we may withdraw this offer.

Applicants who accept their offer will be asked to declare any relevant, unspent convictions. We will contact you separately to request this information. Details of this procedure can be found in our Information and Guidance for Applicants with a Criminal Conviction document which can be found at: <http://documents.manchester.ac.uk/display.aspx?DocID=17995>. This does not apply to applicants for programmes where an Enhanced Disclosure and Barring Service (DBS) check is required.

This is an academic offer of a place on the above course, and is not an offer of funding. You must make separate arrangements for the payment of fees and living costs. Information about fees, funding, living costs and accommodation can be found at: [Postgraduate study at The University of Manchester](#).

All students are bound by the University's Ordinances and Regulations on the payment of fees and the consequences of non-payment. If you have yet to arrange funding you should still accept this offer, so that we can reserve your place on this programme.

Our student terms and conditions

The University has a set of student terms and conditions which include important information regarding key aspects of the relationship between the University and our students, including information about your rights, and the University's rights, throughout the course of the student relationship.
