PLANNED VISIT	STUDENTS VISITING	COURSE CONTENT FAVOURING VISIT
FIELD VISIT		
1. BLOOD BANK	1 st year	This visit offers a comprehensive overview of blood bank operations through a structured field visit. Students will learn about the blood donation process, including donor screening, blood collection, and handling. They will observe blood testing for safety, component separation, and storage techniques. The visit aims to emphasize the importance of quality control, ethical considerations, and the coordination between blood banks and transfusion services. This hands-on experience will deepen their understanding of the critical role blood banks play in healthcare.
2. DIAGNOSTIC LAB	2 nd year	This visit introduces to the practical workings of a diagnostic laboratory through an immersive field visit. Students will observe and learn about various diagnostic techniques, including clinical pathology, microbiology, and biochemistry testing. They will gain insights into specimen collection, processing, and interpretation of results. Emphasis will be placed on the importance of accuracy, quality control, and ethical practices in diagnostics. This experience will enhance their understanding of diagnostic lab contributions to patient care and treatment planning.
INDUSTRY VISIT		
DENTAL CLINICS	3 rd and 4 th year	This visit facilitates industry visits to dental clinics offering practical exposure to real-world dental practice. Students will observe various dental procedures, patient management techniques, and the integration of advanced dental technologies. The visits

		will provide insights into clinic operations, interdisciplinary teamwork, and the importance of maintaining high standards of patient care. Emphasis will be placed on ethical practices, patient communication, and the business aspects of running a dental clinic. This hands-on experience will bridge the gap between theoretical knowledge and clinical application, preparing students for their future professional roles.
CAD- CAM LAB	P.G	This visit offers advanced insights into digital dentistry. Students will observe the design and fabrication of dental prosthetics using computer-aided design and manufacturing technology. The visit will highlight the integration of digital workflows, from intraoral scanning to final product creation. Emphasis will be placed on precision, efficiency, and the innovative potential of CAD-CAM in modern dental practices. This experience will equip students with cutting-edge skills and knowledge, enhancing their proficiency in contemporary dental techniques.

Dear Sir/Madam,

I am writing on behalf of MGV's KBH Dental College and Hospital to request permission for a field visit to Arpan Blood Bank on 13th Dec'2022. We believe that this visit will provide our students with valuable insights into blood banking and transfusion medicine.

We anticipate that 100 students and Dr. Pradeep Nahar as faculty member will be participating in the visit. We assure you that all necessary precautions will be taken to ensure the safety and adherence to protocols during our visit.

We look forward to the opportunity for our students to gain practical knowledge and experience at Arpan Blood Bank. Thank you for considering our request.

Warm regards,

Dr. Meenal Gulve

We are pleased to announce an upcoming educational field visit to the Arpan Blood Bank as part of our commitment to providing practical learning experiences for our students. This visit will offer a unique opportunity for you to gain insight into the workings of a vital healthcare facility and understand the significance of blood donation in saving lives.

Details of the visit are as follows:

Date: 13th Dec'2022

Time: 09:15 a.m

Arranged for: 1yr BDS Students

Venue: Arpan Blood Bank, Nashik

Transportation: College bus

Explore the significance of blood donation and its implications for healthcare. Acquire insights into the blood collection, storage, and distribution process. Engage with healthcare professionals to grasp their roles in the blood banking system. Take part in a guided tour of the blood bank facility. This educational outing aims to augment theoretical knowledge with practical exposure, enhancing understanding of healthcare practices and community service.

We believe that this field visit will be both enlightening and enriching for all participants. Your active participation is encouraged to make the most out of this educational opportunity.

EVENT REPORT

EDUCATIONAL FIELD VISIT REPORT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 13th Dec '2022

Venue – Arpan Blood Bank, Nashik

Time – 09:15 a.m

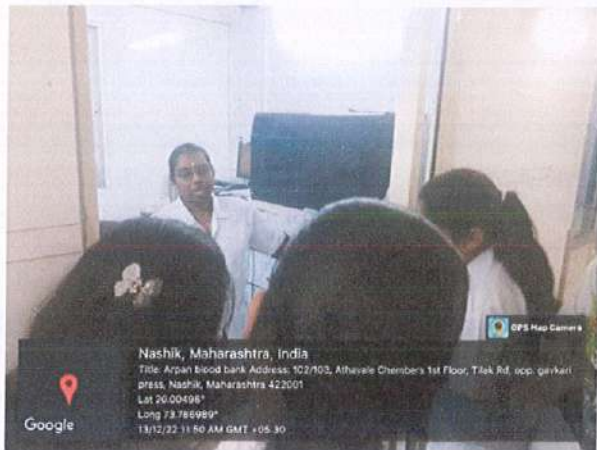

Objective of the activity / program - To familiarize students with the processes involved in blood collection, storage, testing, and distribution. Additionally, the visit aimed to educate students about the importance of voluntary blood donation and its impact on saving lives.

Attended by – 1yr BDS Students

Brief information about program / activity – Upon arriving at Arpan Blood Bank, students were warmly greeted and given an overview of its operations. The visit included a presentation on blood banking, a guided tour of departments, interactive sessions with staff, a live demonstration of procedures, and a Q&A. These activities provided valuable insights into blood donation's significance, banking procedures, and safety measures. The trip proved highly enriching, enhancing students' understanding of blood banking and fostering a sense of responsibility towards voluntary donation and community service.

We are thrilled to announce an upcoming educational field visit to the renowned Prathamesh Diagnostic Lab. This visit presents an invaluable opportunity for you to explore the cutting-edge facilities and gain insights into the world of pathology diagnostics.

Details of the visit are as follows:

Date: 13/04/2023

Time: 09:00 a.m

Arranged for: 2yr BDS Students

Venue: Prathamesh Diagnostic Lab, Nashik

Transportation: College Bus

This educational excursion is meticulously planned to enhance your understanding of pathology and its crucial role in the healthcare ecosystem. It aims to bridge the gap between theoretical knowledge and practical application, fostering a deeper appreciation for the field of pathology.

We are confident that this field visit will be a rewarding and enriching experience for all participants. Your active participation is encouraged to maximize the learning opportunities presented during the visit.

EVENT REPORT

LAB LEARNING TRIP REPORT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 13/04/2023

Venue – Prathamesh Diagnostic Lab, Nashik

Time – 09:00 a.m

Objective of the activity / program - To familiarize students with the advanced technologies and methodologies employed in pathology diagnostics. Additionally, the visit aimed to educate students about the crucial role pathology plays in disease diagnosis and treatment.

Attended by – 2yr BDS Students

Brief information about program / activity – At Prathamesh Diagnostic Lab, students received a warm welcome and a thorough overview of lab operations. The visit included presentations on pathology diagnostics, tours of departments like histopathology and microbiology, interactive sessions with staff, live test demonstrations, and Q&A sessions. These activities helped students understand pathology's importance in healthcare, learn diagnostic procedures, and appreciate quality control measures and pathology's role in patient care. The educational trip to Metropolis Pathology Lab was enlightening, providing practical exposure and inspiring students to pursue careers in laboratory medicine and healthcare.

We are thrilled to announce an upcoming educational field visit guided by Dr. Milind Saudagar at Teeth Care Dental Surgical Clinic. This visit promises to be an enriching experience, providing you with valuable insights into various dental surgical procedures and contemporary practices in dentistry.

Details of the visit are as follows:

Date: 12th and 13th April'2023

Time: 10:00 a.m

Arranged for: III BDS Students

Venue: Teeth Care Dental Surgical Clinic, Nashik

Transportation: College Bus

Embark on a learning journey through various dental surgical procedures and practice management led by Dr. Milind Saudagar. Engage in interactive sessions with Dr. Saudagar to delve into diverse dental conditions and surgical techniques. Explore the state-of-the-art facilities at Teeth Care Dental Surgical Clinic, including advanced imaging and sterilization areas, on a guided tour. Participate in discussions on real-life case studies, gaining insights into diagnosis and treatment planning. Conclude with a Q&A session addressing queries on dental surgeries and career prospects. Under the guidance of Dr. Saudagar, this educational excursion seamlessly blends theory with practice, offering a unique opportunity to immerse in dental surgery and patient care.

We are confident that this field visit will be both educational and inspiring, paving the way for a deeper understanding of dental surgical procedures and practices.

FIELD VISIT REPORT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 12th and 13th April'2023

Venue – Teeth Care Dental Surgical Clinic, Nashik

Time – 10:00 a.m

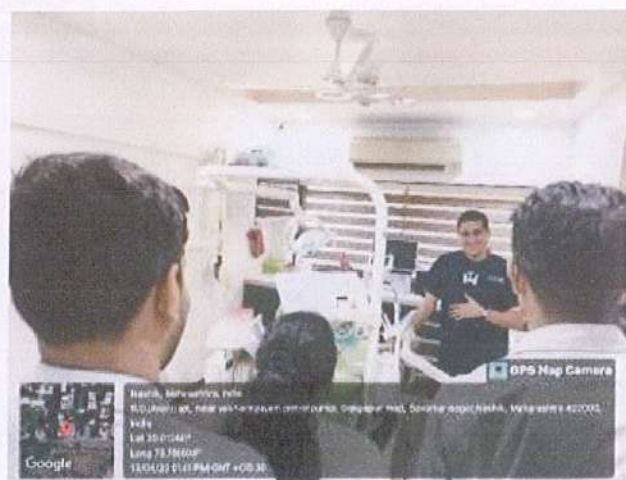

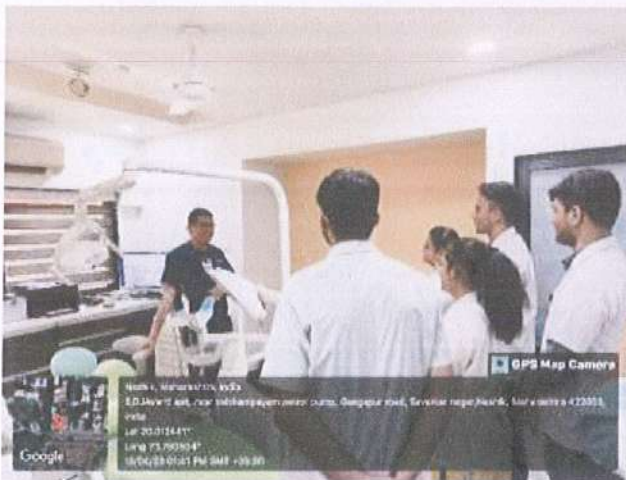

Objective of the activity / program - The primary objective of the field visit was to provide students with practical exposure to advanced dental surgical procedures and to deepen their understanding of oral care practices including dental implants, extractions, LASER and periodontal treatments.

Attended by – III BDS Students

Brief information about program / activity – During the educational visit to Teeth Care Dental Surgical Clinic led by Dr. Milind Saudgar, students had an excellent experience that expanded their knowledge of advanced diagnostics, dental surgery, implant dentistry and comprehensive oral care. Through guided tours of advanced equipment and interactive sessions, they gained insights into treatment planning and patient care strategies. The Q&A session on full mouth rehabilitation cases further deepened their understanding of dental practice. This visit significantly enhanced the students' understanding of advanced diagnostic techniques and emphasized the importance of soft skills and effective treatment planning in dental care..

Dear Sir/Madam,

I am writing on behalf of MGV's KBH Dental College and Hospital to request permission for a dentistry field trip to Dugad Dental Implant Institute and Research Centre on April 13, 2023. We believe that this visit will provide our students with valuable insights into dental implant procedures and research methodologies.

We anticipate that 100 students and Dr. Pradeep Nahar as faculty member will be participating in the visit. We assure you of our commitment to adhering to all safety protocols during our visit.

We are excited about the opportunity for our students to gain practical knowledge and experience at Dugad Dental Implant Institute and Research Centre. Thank you for considering our request.

Warm regards,

Dr. Meenal Gulve

C I R C U L A R

We are excited to announce an upcoming educational field visit to the esteemed Dugad Dental Implant Institute and Research Centre. This visit presents a unique opportunity for you to delve into the world of dental implantology and gain insights into the latest advancements in dental healthcare.

Details of the visit are as follows:

Date: 12th and 13th April'2023

Time: 10:00 a.m

Arranged for: IV BDS Students

Venue: Dugad Dental Implant Institute and Research Centre, Nashik

Transportation: College Bus

Embark on an educational experience at Dugad Dental Implant Institute and Research Centre, where you'll engage in interactive sessions with industry leaders, gaining invaluable insights into treatment planning for dental implant procedures by skilled clinicians. Delve into the latest research and innovations in dental implant technology through presentations and discussions. Additionally, participate in a guided tour of the institute, exploring its dental laboratories and research facilities. This excursion is designed to enrich theoretical knowledge with practical exposure, fostering a deeper understanding of dental implant procedures and their significance in modern dentistry.

We believe that this field visit will be both informative and inspiring, providing you with valuable insights into the field of implant dentistry and broadening your perspectives on dental healthcare.

EVENT REPORT

EDUCATIONAL FIELD VISIT REPORT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 12/04/2023 and 13/04/2023

Venue – Dugad Dental Implant Institute and Research Centre, Nashik

Time – 10:00 a.m

Objective of the activity / program - The primary objective of the field visit was to facilitate understanding of the latest advancements in dental implant technology, treatment planning and execution. Additionally, the visit aimed to expose students to the case based learning, research activities and acquaint them regarding the facilities available at the Dugad Dental Implant Institute and Research Centre.

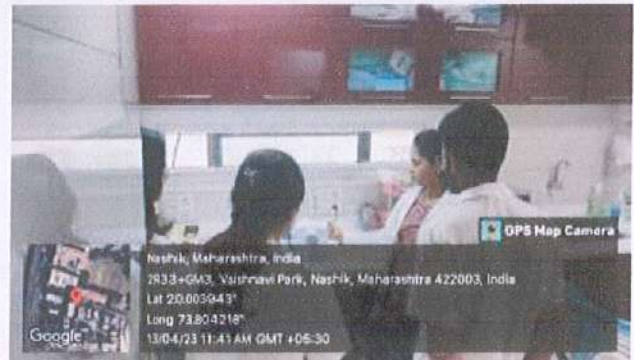

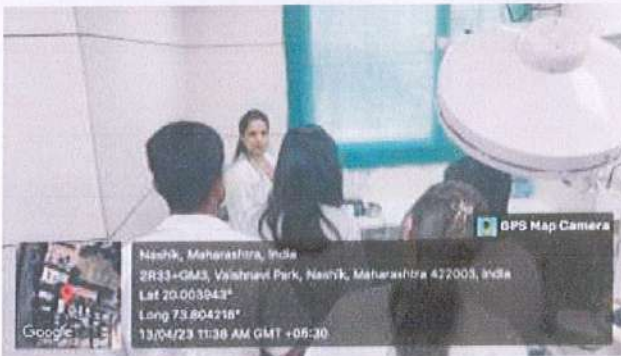

Attended by – IV BDS Students

Brief information about program / activity – The visit to Dugad Dental Implant Institute and Research Centre helmed by Dr Sachin Dugad included interactive sessions with experienced dentists and specialists, providing insights into various dental implant procedures, treatment planning and patient care protocols. Case based discussion of full mouth rehabilitation patients provided insights of treatment strategies. Advanced diagnostics required for implant planning was demonstrated.

A guided tour showcased the institute's facilities, such as dental laboratories and research centers, highlighting resources available for dental research and education. Informative presentations on the latest trends in dental implantology and a Q&A session deepened students' understanding of implant procedures and research methodologies.

C I R C U L A R

We are thrilled to announce an upcoming educational field visit guided by Dr. Pritish Lodha at Swastik Smile Care Centre. This visit promises to be an enriching experience, providing you with valuable insights into various dental surgical procedures and contemporary practices in dentistry.

Details of the visit are as follows:

Date: 14th to 17th Feb'2023

Time: 10:00 a.m

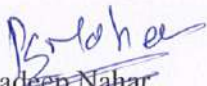

Arranged for: 3yr and 4yr BDS Students

Venue: Swastik Smile Care Centre, Nashik

Transportation: College Bus

Embark on a comprehensive journey through various dental surgical procedures led by skilled surgeons under Dr. Pritish Lodha guidance. Explore the state-of-the-art facilities at Swastik Smile Care Centre, including advanced imaging and sterilization areas, on a guided tour. Participate in discussions on real-life case studies, gaining insights into diagnosis and treatment planning. Conclude with a Q&A session addressing queries on dental surgeries and career prospects.

We are confident that this field visit will be both educational and inspiring, paving the way for a deeper understanding of dental surgical procedures and practices.

Activity REPORT

FIELD VISIT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 14th to 17th Feb'2023

Venue – Swastik Smile Care Centre, Nashik

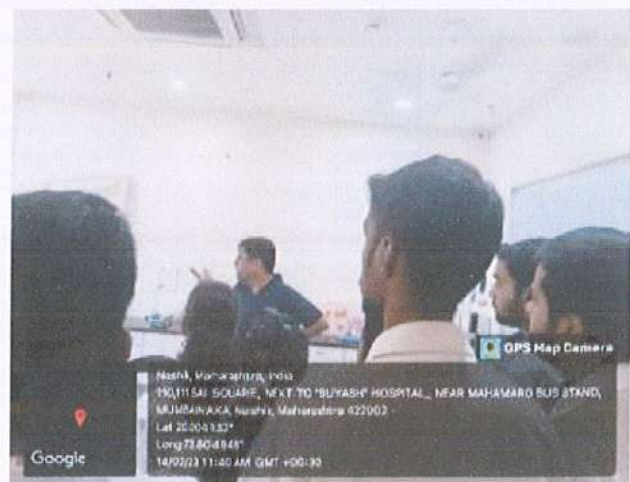

Time – 10:00 a.m

Objective of the activity / program - The primary objective of the field visit was to provide students an opportunity to observe advanced dental procedures and to gain insights into clinical practice including dental implants, extractions, LASER and periodontal treatments.

Attended by – 3yr and 4yr BDS Students

Brief information about program / activity – The field visit to Swastik Smile Care Centre led by Dr. Prithish Lodha, provided students an excellent opportunity to expand their knowledge regarding clinical practice and its management. Through guided tours of advanced equipment and interactive sessions, they gained insights into treatment planning and patient care strategies. The industry visit significantly enhanced the students' understanding of implants, LASERS in practice and emphasized the importance of interdisciplinary collaboration in dental care.

To,
Dental Arts Lab,
Indira Nagar, Nashik

Dear Sir/Madam,

I am writing on behalf of MGV's KBH Dental College and Hospital to request permission for an educational visit to CAD CAM lab at Dental Arts Lab on 18th April'2023. We believe that this visit will provide our students with invaluable exposure to advanced CAD/CAM technology in dentistry.

We anticipate that 61 students and Dr. Pradeep Nahar as faculty members will be participating. Please be assured that we will adhere to all safety protocols.

We are enthusiastic about the opportunity for our students to gain practical knowledge and experience at CAD CAM lab at Dental Arts Lab. Thank you for considering our request

Warm regards,

Dr. Meenal Gulve

We are excited to announce an upcoming educational field visit to explore CAD-CAM technology at Dental Arts Lab. This visit offers a unique opportunity for you to delve into the world of digital dentistry and witness the innovative techniques revolutionizing the field.

Details of the visit are as follows:

Date: 18th April'2023

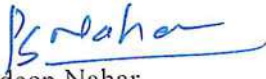

Time: 1:30 p.m

Arranged for: P.G Students

Venue: Dental Arts Lab, Nashik

Delve into the latest CAD-CAM technology utilized in dental restorations like crowns, bridges, and implants. Engage with skilled dental technicians and specialists to understand the design and fabrication process of CAD-CAM restorations. Explore state-of-the-art equipment and software used in digital dentistry, including digital impression scanners and milling machines. Learn about the benefits and challenges of CAD-CAM technology compared to traditional dental methods through informative presentations. Join a guided tour of Dental Arts Lab for an overview of its operations and quality control measures. This educational trip aims to deepen your understanding of digital dentistry's applications in modern dental practice.

We are confident that this field visit will be both informative and inspiring, offering valuable insights into the innovative world of CAD-CAM dentistry.

EVENT REPORT

EDUCATIONAL VISIT REPORT

Organized by – MGV's KBH Dental College and Hospital

Day and Date – 18th April'2023

Venue – Dental Arts Lab, Nashik

Time – 1:30 p.m

Objective of the activity / program - The visit to Dental Arts Lab provided an insightful exploration into the realm of CAD-CAM technology in contemporary dentistry. The purpose of the visit was to gain practical knowledge and exposure to the innovative techniques and equipment utilized in digital dental workflows.

Attended by – P.G Students

Brief information about program / activity – The CAD CAM program at Dental Arts Lab offers a comprehensive exploration of cutting-edge technology in digital dentistry. Participants engage in interactive sessions and hands-on demonstrations, gaining insights into CAD CAM applications for dental restorations like crowns, bridges, and implants. They explore advanced equipment and software, learn about design processes, and discover the advantages and challenges of CAD CAM compared to traditional methods. This program aims to deepen understanding and proficiency in digital dental workflows, preparing participants for modern dental practice.
