Brief information about program –

As per the practice and traditions of MGV's KBH Dental College & Hospital, an Orientation Program was held for the students admitted to the college in the first year of the BDS course in the academic year .

The date chosen for the orientation program was after the cut-off date for admissions. Students were informed in advance about the program and were asked to inform their parents/ guardians to also attend the same.

On the day of the event, students turned up in large numbers accompanied by their parents. HODs of all the Dental departments and all the staff involved with the 1st BDS were invited to attend.

The program began with a warm welcome to the students into the MGV Family. After the ceremonial lighting of the lamp and invocation to God, the speakers took their seats on the dais. Principal Dr. Meenal Gulve spoke about the scope of dentistry and what is expected of the student in the college. Our Trustee, Dr. Pradeep GL gave a brief introduction about the management and the Aims and Objectives of the Institute. This was followed by a presentation which dealt with various aspects of the curriculum. Dr Meenakshi Sreeram spoke about the subjects that students would study in first year and introduced the staff of each department. Students were also told about the exam system, pattern of examination, mark distribution, rules of grace, etc. Parents were informed that they would have to attend two Parent-Teachers' Meeting, one each after the first and second sessional exam. Dr Karan Shah spoke about the **general rules for discipline** and the anti-ragging committee. Parents were assured that our

Dr. Saurabh Pawar made the students aware about the various scholarships and other schemes under MUHS. Dr Pritha Negi gave a brief account of the Sports and Cultural Activities in the last academic year.
